Solar Circle

Committed to supporting the
Summer Solstice Celebration and
bringing the community together
through the arts.

The Solar Circle

The Solar Circle of Solstice is an inner circle of friends who are committed to supporting the Summer Solstice Celebration. This network will enlarge the base of people directly involved with the production of this beloved community event. Producing a community event of this size and nature requires many hands. The Solar Circle will be a talent pool that can be gathered to help and strengthen the Solstice organization. It is different from our Board of Directors. The Solar Circle members will have fewer responsibilities, i.e. they don't have monthly board meetings.

The Benefits

As a Solar Circle member you will be notified of upcoming events before the general public. There will be quarterly meetings for this group which will include an evening in the Solstice Workshop with Solstice artists, staff and board members where the details of floats, costumes and the Solstice festival will be announced. Being a Solar Circle member is like being in "insider" to the workings of Summer Solstice. This is your chance to meet a parade of new friends, and grow in your knowledge about the Solstice Celebration. It is a wonderful way to support Solstice without the commitment to Board of Director service. Many members of the Solar Circle have served on the Solstice Board of Directors in past years.

Besides the gifts you receive upon joining, there are additional events and parties to which Solar Circle members will be invited. Solar Circle members are also eligible for a special section of reserved seating in our VIP seating on a first come first serve basis. These tickets sell at \$50 per seat, include VIP parking and are reserved only for Solar Circle members.

To Join

There is an annual membership fee of \$100 per individual, \$175 per couple. You can join with monthly dues of \$10 per month (\$120 per year). The members receive one t-shirt per person, a bottle of Sunstone Wine, courtesy of Laura Knight, owner of Pascucci Restaurant (either 2005 Chardonnay or 2006 Merlot) and a 10% discount on Solstice events throughout the year. The t-shirts can be mailed but the wine must be picked up from the Solstice office.

Business Membership

The annual membership fee of \$300 per business includes three Solstice posters; a 20% discount on Solstice product purchased for your business, and 10% discount on any tickets for Solstice events purchased by the business.

Summer Solstice

The Summer Solstice Celebration, which began in 1974, has grown into Santa Barbara's largest arts event, drawing crowds of over 100,000 spectators from around the world, with more than 1,000 parade participants of all ethnic and economic backgrounds. There is dancing, music, drumming and drama to enthrall the spectators. The Community Arts Workshop is where it all happens; the colorful floats, ensembles, the costumes and the masks are created at the Workshop, under the guidance of the paid staff. The Alameda Park festival opens Friday evening with live music and performance to kick off the Solstice weekend. On Saturday, following the parade on State Street, the festivities continue in Alameda Park where everyone can enjoy live entertainment, music, food, fine arts and crafts from around the world, a drum circle, a children's festival and more. Summer Solstice has become a year round organization, celebrating life through art by encouraging participation in the arts through events and education.

Solstice and the Community

Solstice is an independent non-profit 501(c)3 corporation. As a community based and funded organization, we are always needing to reach further into the community for help - not only financial but participatory: attendance at events and volunteers to make our events happen.

We believe the Solar Circle will encompass a broad range of community members who can connect us to goods and services that our organization depends upon to produce this huge event. We need more ambassadors, more helpers, more funders and more people to share the joy and fun that is such a part of what we bring to our community. Please consider joining this very special group of dedicated Solstice supporters.
